

# FARM CARE<sup>®</sup> 2017 ROW CROP PROGRAM

The 2017 DuPont™ FarmCare® Row Crop Grower Program provides growers with unbeatable crop protection combinations and great savings. Whether your cereal, corn or soybean crops need protection from yield robbing weeds, diseases or insects, DuPont has a solution and rebate opportunity for you.

**Here's how the simple and easy 2017 DuPont™ FarmCare® Row Crop Grower Program works.**

## DUPONT™ ACAPELA® FUNGICIDE MANAGED ACRE INCENTIVE:

- Step 1.** Purchase 40 acres or more of qualifying DuPont corn, soybean and cereal herbicides.
- Step 2.** Purchase one (1) or more jug(s) of Acapela® fungicide.

**Receive a  
\$2.00/acre rebate  
on matching acres.**

## DUPONT™ CORAGEN® INSECT MANAGEMENT INCENTIVE:

- Step 1.** Purchase 40 acres or more of eligible DuPont herbicides and/or one (1) or more jug(s) of Acapela® fungicide.
- Step 2.** Purchase one (1) or more jug(s) of DuPont™ Coragen® insecticide.

**Receive a  
\$1.00/acre rebate  
on matching acres.**

## Terms and Conditions:

1. The 2017 DuPont™ FarmCare® Row Crop Grower Program begins September 1, 2016 and ends August 31, 2017. The Program is open to growers in Ontario, Quebec and the Maritime provinces. No pre-enrollment is required. Growers will be qualified based on net sales purchase data as provided by the retailer(s).
2. Eligible Products (as identified in the table below) must be purchased between September 1, 2016 and August 31, 2017 with the intention that the products will be sprayed during the 2017 growing season.

DuPont™ Refine® M Herbicide	Cereals	Jug (7.6 litres)	40

\*Note: 50 acres/jug of Acapela® shall be used for calculating matching acres of Acapela® with DuPont cereal herbicides.

3. Minimum purchase to qualify for an Acapela® Managed Acre Incentive rebate is 40 acres of cumulative Eligible Herbicide Products and one (1) 9.6 L jug of Acapela® fungicide. Growers must purchase in full unit increments. For example, a grower cannot purchase a partial jug, partial pouch or a partial tote.
4. Acapela® Managed Acre Incentive (MAI): Ontario, Quebec and Maritime growers who purchase a minimum of 40 acres of eligible corn, soybean and cereal herbicides qualify for a \$2.00/acre rebate for matching acres of Acapela®. For the Corn and Soybean Managed Acre Incentive, 40 acres/jug of Acapela® shall be used for calculating matching acres. For matching cereal herbicide acres, 50 acres/jug of Acapela® shall be used for calculating matching acres.
5. For growers who purchase a combination of eligible DuPont cereal herbicides and eligible DuPont™ corn and soybean herbicides, the eligible cereal herbicide acres shall be matched first with Acapela® acres at the 50 acres/jug rate. Remaining purchased Acapela® acres at the 40 acres/jug rate shall then be matched with the corn and soybean herbicide brand purchases. The total amount of matching acres may not exceed the total amount of Acapela® fungicide acres.
6. Coragen® Insect Management Incentive: Ontario, Quebec and Maritime growers who purchase a minimum of 40 acres of eligible DuPont herbicides and/or Acapela® fungicide and one (1) or more jugs of Coragen® insecticide qualify for a \$1.00/acre rebate on matching acres. For the Insect Management Incentive, 38 acres/jug of Coragen® shall be used for calculating matching acres.
7. Growers whose accounts are not in good standing with their retailer may not earn rewards.
8. Products must be used according to their registered use patterns.
9. In order to qualify for the 2017 DuPont™ FarmCare® Row Crop Program, Eligible Products must be used by the same purchaser, on a single farming operation in the Province of Ontario, Quebec, New Brunswick, Nova Scotia, Prince Edward Island or Newfoundland.
10. Should a price list or other documentation that is provided to retailers indicate suggested resale prices, the retailers shall in no way be obliged to sell at such prices for resale purposes and, if it does sell at a different price, it shall in no way suffer in its relationship with DuPont or any other person over whom DuPont has control.
11. DuPont reserves the right to verify net purchases.
12. Presumption of consent: By participating in this program, the grower acknowledges that their retailer(s) will submit purchase information, which may include personally identifiable information on their behalf, to E. I. du Pont Canada Company and authorizes DuPont, its affiliates and any third parties designated by DuPont to use such information for the purpose of administering the program, and as a basis to send information, including by electronic means such as email, that is relevant and useful to the grower. Certain of these affiliates or third parties may be located in countries outside Canada. If a grower does not wish to receive product/offering information from DuPont, the grower can contact DuPont at 1-800-667-3925. For more information on how DuPont handles information, visit [www.dupont.ca](http://www.dupont.ca) and click on PRIVACY.

**Questions?** For more information, please contact your retailer or the DuPont™ FarmCare® Support Centre at 1-800-667-3925 or visit [farmcarerowcrop.dupont.ca](http://farmcarerowcrop.dupont.ca)

As with all crop protection products, read and follow label instructions carefully.
