DUPONT™ TYVEK® THERMAWRAP™ R5.0 10-YEAR LIMITED WARRANTY

FOR NEW CONSTRUCTION OR SUBSTANTIAL ADDITIONS TO RESIDENTIAL SINGLE FAMILY AND DUPLEX BUILDINGS

DuPont provides the following warranty to Builders, General Contractors or Professional Installers upon the terms and conditions set forth herein.

Because DuPont recognizes the volatility of our economic times, should the Builder, General Contractor or Professional Installer to whom this warranty is given, cease to be in business, this warranty coverage will extend to the original registered owner of the building at the time of installation. This warranty is not transferrable except as set forth herein.

This **10 Year Limited Warranty** is effective for DuPont™ Tyvek® ThermaWrap™ R5.0 (“**ThermaWrap™ R5.0**”) and DuPont™ Flashing Products (“**Products**”) purchased after **September 1st, 2014** in the United States (US) or Canada.

This warranty applies to new construction and substantial additions to residential single family and duplex buildings **in the United States or Canada** (“**Homes**”).

If any **Products** are repaired or replaced under this warranty, then ongoing warranty coverage will continue from the original date of purchase and not from the date of repair or replacement.

PRODUCT ONLY LIMITED WARRANTY – THERMAWRAP™ R5.0

Subject to **ThermaWrap™ R5.0** product label warnings and the following specific terms and conditions set forth below, DuPont warrants that for a period of 10 years from date of purchase, the **ThermaWrap™ R5.0** will meet or exceed the water holdout performance properties (pursuant to the Hydrostatic Head test AATCC 127) in the applicable **ThermaWrap™ R5.0**-specific Physical Property Data Sheet in effect at the time of purchase. If the **ThermaWrap™ R5.0** fails to meet those water holdout properties, then DuPont’s sole liability will be to provide replacement **ThermaWrap™ R5.0** for that portion of defective **ThermaWrap™ R5.0**. All product replacement will be in the form of **ThermaWrap™ R5.0** being manufactured at the time of replacement. No substitutions of other products or those manufactured by other manufacturers will be permitted.

PRODUCT AND LABOR LIMITED WARRANTY–THERMAWRAP™ R5.0 AND DUPONT™ FLASHING PRODUCTS

Subject to the following specific terms and conditions, DuPont warrants that for a period of 10 years from the date of purchase, the **Products** identified below, when installed in strict accordance with the applicable DuPont Installation Guidelines, in a properly constructed and designed wall system, following the applicable building codes and accepted industry standards for each type of structure, will:

- for DuPont™ Tyvek® ThermaWrap™ R5.0 meet or exceed the water and air holdout performance properties pursuant to the Hydrostatic Head test (AATCC 127) for water holdout and pursuant to the Gurley Hill (TAPPI T-460) test for air holdout, and
- for DuPont™ Flashing Products listed on the following page meet the water holdout performance properties pursuant to the Hydrostatic Head test (AATCC 127); in each applicable Physical Property Data Sheet in effect at the time of installation.

To qualify for this Product and Labor Warranty, you must exclusively use the **Products** to the extent applicable on new or substantial addition residential construction, subject to the Product Specific Conditions set forth below.

When all conditions under this Product and Labor Warranty are met, if damage to the building is caused solely by the failure of any **Product** to meet the water and air holdout specification in the applicable Physical Property Data Sheet, then DuPont will provide replacement **Product** for all defective Product and pay all reasonable construction repair costs to correct any problem that arises solely out of the failure of the DuPont Products to conform to its Physical Property Data Sheet. DuPont will not have any liability under this warranty for the repair or cost of repair for more than the actual area of damage.

DUPONT™ TYVEK® THERMAWRAP™ R5.0 10-YEAR LIMITED WARRANTY

PRODUCTS COVERED AND PRODUCT SPECIFIC CONDITIONS TO QUALIFY FOR PRODUCT AND LABOR WARRANTY:

DuPont™ Tyvek® ThermaWrap™ R5.0

- Must use DuPont™ Tyvek® Tape as outlined in published Installation Guidelines.
- Must use cap fasteners as outlined in published Installation Guidelines
- Must use DuPont™ Insulated Batten as outlined in published Installation Guidelines.
- Substitution of any other building envelope or tape products when there is an applicable DuPont product available will void the Product and Labor Warranty.

DuPont™ Flashing Products, including StraightFlash™, StraightFlash™ VF, FlexWrap™ NF, and DuPont™ Flashing Tape.

- In order for DuPont™ Flashing Products to qualify under the Product and Labor Warranty, all other applicable DuPont Products, including **ThermaWrap™ R5.0**, must be used.
- Substitution of any other building envelope, flashing or tape products when there is an applicable DuPont product available from DuPont will void the Product and Labor Warranty.

What are not covered by these Warranties:

1. Any building structure outside of the US or Canada.
2. Any building structure that is greater than 4 stories, including Low-Rise Multi-Family Residential Buildings.
3. Any renovation or remodel.
4. The negligence, gross negligence, or willful misconduct of the Builder, General Contractor or Professional Installer or of any third party, including the building owner.
5. Any application in which **DuPont™ Tyvek® ThermaWrap™ R5.0** comes into contact with DuPont™ Tyvek® Fluid Applied Products or any material that is chemically incompatible with the **DuPont™ Tyvek® ThermaWrap™ R5.0**.
6. Acts of God, including but not limited to, fire and lightning, hurricane, high winds.
7. Vandalism or attack by any party.
8. Defects in the structure or a component of the structure (e.g., window, door, or wall system) or selection of any components of the structure, contamination from building site chemicals, or premature deterioration of the building materials, or nonstandard use or application of the Products.
9. Foreign objects or agents, including the use of materials incompatible with DuPont Weatherization Products.
10. UV exposure of the Products in excess of that set forth in the Physical Properties Data Sheet.

11. Improper installation of the Products, improper building practices or design not in accordance with the applicable building code or industry standards, or any deviation from approved construction plans or project specifications, or failure to follow the applicable DuPont Installation Guidelines or façade manufacturer requirements. Installation Guidelines are available by calling 1-800-44-Tyvek and on line at www.weatherization.tyvek.com or www.construction.tyvek.ca.
12. Any defect arising out of the performance of any non-DuPont building envelope products.
13. Warranty claims made for any Product for which another warranty claim has already been fulfilled by DuPont for that same Product installed on the same Home, regardless of who submitted the other claim.

How to Get Warranty Service:

To obtain service under this warranty, you must promptly contact DuPont on line at www.weatherization.tyvek.com or www.construction.tyvek.ca, or call 1-800-44-Tyvek regarding any potential claim, no later than sixty (60) days after you discover any potential claim, and you MUST provide DuPont with proof of purchase of the DuPont Products within the 10 Year warranty period. You must provide DuPont with a reasonable opportunity to inspect the building within sixty (60) days after DuPont receives notice of your potential claim. You must also provide access to DuPont to recovery of samples of the **Products** from the actual installation in sufficient quantities in order to perform testing to determine whether or not the DuPont Product failed as set forth herein. If obtaining the required samples proves not to be feasible, then, in the alternative, DuPont may use retainer samples for DuPont Products manufactured from the same lot as those used in the actual installation.

Exclusion of Damages:

DUPONT SOLE LIABILITY UNDER THIS WARRANTY IS LIMITED TO THE COST OR REPLACEMENT, AS APPLICABLE, OF THE PRODUCT AND, IF APPLICABLE, THE LABOR REQUIRED TO CORRECT PROBLEMS CAUSED SOLELY BY THE FAILURE OF THE PRODUCTS TO MEET THE APPLICABLE PHYSICAL PROPERTIES DATA SHEET AND THE TERMS OF THIS DUPONT WARRANTY. DUPONT SHALL NOT BE LIABLE EITHER IN TORT OR IN CONTRACT FOR ANY DIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOST PROFITS, LOST REVENUE, LOSS OF USE OR ANY BREACH OF ANY EXPRESS OR IMPLIED WARRANTY, REPRESENTATION OR CONDITION.

DUPONT™ TYVEK® THERMAWRAP™ R5.0 10-YEAR LIMITED WARRANTY

FOR ANY NEW CONSTRUCTION OR SUBSTANTIAL ADDITION TO RESIDENTIAL SINGLE FAMILY AND DUPLEX BUILDING DUPONT LIABILITY UNDER THE PRODUCT AND LABOR WARRANTY SHALL, NOTWITHSTANDING ANYTHING ELSE CONTAINED HEREIN, BE EXPRESSLY LIMITED TO A PROJECT LIMIT OF TWO HUNDRED AND FIFTY THOUSAND DOLLARS (\$250,000).

The foregoing is the only Warranty for the listed products made by DuPont for use on new single family residential and duplex buildings in the US or Canada. No representative, dealer or any other person is authorized to make or makes any warranty, representation, condition or promise on behalf of DuPont with respect to such Products. No terms or conditions other than those stated herein or provided by law, and no agreement or understanding, oral or written, in any way purporting to modify this warranty shall be binding upon DuPont unless made in writing and signed by an authorized employee of DuPont.

THIS WARRANTY IS NOT A PERFORMANCE CLAIM.

DuPont™ Tyvek® ThermaWrap™ R5.0 provides an R-value of 5.0, which is achieved by a 1 ½ inch thick blanket incorporated with the wrap. The higher the R-value, the greater the insulating power. Ask your seller for the fact sheet on R-values. The fact sheet on R-values is also available at www.ThermaWrapR5.tyvek.com. To get the marked R-value, it is essential that the Product be installed in strict accordance with the applicable DuPont Installation Guidelines and a thickness of 1 ½ inch must be maintained at all times.
